Attention High School Counselors

The program runs from mid-February through mid-June

- Learn about the history of the Southwest
- Visit to National Park Service parks and monuments, cultural and historical museums, and U of A archaeology laboratories
- Participate in hands-on activities including an archaeological dig and artifact analysis labs
- Participate in overnight trips to the Grand Canyon, Wupatki National Monument, and more!

Participating educators receive a \$1,000 stipend, Professional Development credit, and an iPad mini.

Funding provided by the National Parks Service.
