Mary Irwin, PhD mairwin@arizona.edu
COE Coordinator, Student Engagement

Experiential learning occurs when students translate and apply their learning within and beyond the classroom into transformative experiences and practices that impact their professional and personal lives. Examples of engaged learning are collaborative research, internships, externships, service-learning projects, study abroad experiences, etc. (<http://catalog.arizona.edu/policy/policies-student-engagement>)

REVIEW PROCESS

The COE Student Engagement Coordinator will preview the project proposal before submission to the Office of Student Engagement. The COE Student Engagement Coordinator will provide guidance as requested by the project sponsor.
