

Transfer Student Guide: Pima Community College

Rehabilitation Studies @ Services - Pre-OT Pathway ▶▶▶

2019-2020

In preparation for transferring to the University of Arizona as a rehabilitation studies and services major student, Pima Community College courses, which can be completed prior to transferring to the UA, are listed below. Often, these courses can be applied to the AGEC, which is best to complete prior to transferring.

This sequence of courses is designed for students who intend on completing a bachelor's degree focusing on rehabilitation education, research, and service needs. The only program of its kind in the state of Arizona, the rehabilitation studies and services program offers students who plan on applying to graduate programs in occupational therapy an opportunity to complete additional coursework to simultaneously meet requirements for entering a graduate program. Students should verify requirements of the intended graduate program, as they may vary.

Pima Community College courses	Completion status at time of application	University of Arizona courses
MAT 151* & MAT 167* : College Algebra & Introductory Statistics	Preferred: completion prior to transfer for enhanced sequencing of courses	MATH 112 & MATH 163 : Basic Statistics
BIO 156IN* or BIO 181IN* & BIO 157 : Intro Biology Allied Health or General Biology and Basic Histology for Anatomy/Physiology (prerequisites for BIO 201IN)		UA does not require prerequisite course(s) for PSIO 201
BIO 201IN* : Human Anatomy/Physiology I		PSIO 201 : Human Anatomy & Physiology I
BIO 202IN* : Human Anatomy/Physiology II		PSIO 202 : Human Anatomy & Physiology II

*Check with PCC advisor; applies toward AGEC requirements
